REFERENCE

Four persons encroached on S.No.62/8A1A2 of Iddya village, Mangalore taluk, South Kanara district by putting up a wall enclosure and planting casuarina and other trees. Particulars of the encroachments are noted below:-

S.No.	Extent. c. Cents.	Nature of encroachment.	Name of the encroacher.
62/8A1A2A	0-----60	Mud wall and 72 cashew plants.	Gange.
62/8A1A2C	0-----10	Mud wall and 6 cocoanu plants.	Doomappa Pujar.
62/8A1A2D	0-----05	Mud wall and 16 Mango plants.	Padmanabhyya.
62/8A1A2E	0-----16	Stone walls, a substantial well and 6 cocoanut plants.	Munda Bhandary.

S.No.62/8A1A2 is an 'assessed waste' reserved as a military camping ground. The Sub-Collector, Mangalore, ordered eviction in respect of all the encroachments. On appeal, the Collector refused to interfere on behalf of the encroachers. He was of opinion that the occupation of the plots would materially reduce the area available for the camping ground. The encroachers plead that the portions encroached upon are necessary as adjuncts to their existing dwelling houses and that they have been in possession of the plots for a long

vide p.281 of 1902 (E) 3.2.

2. The encroachers have presented revision petitions to the Board. The Board has examined the records and finds that the land, though reserved as a military camping ground, is not under the control of the Military department, that it may be required as camping ground for civil officers till the newly contemplated railway line from Mangalore to Malpe is opened, that it is not likely to be required for any department of the Local Government and that there is no objection to dispose of the land under the Darkhast rules. All the encroachments lie to the west of the Mangalore-Udipi road and there is still a compact block of 5.75 acres which can be used for camping purposes by civil officers. The Board doubts whether the encroached land would be really required as a camping ground for civil officers.

3. As the land in question is registered as a camping ground and not included in the list forwarded by the Government of India with their letter No.322947-A-D-4., dated 9th August 1928 disposed of in G.O.Mis.156, Revenue, dated the 22nd January 1929 and there is no objection to its assignment, the Board submits the case for the orders of the Government with reference to their order No.405 Mis., Revenue, dated 19th February 1931. A copy of the Collector's letter furnishing the information referred to in the G.O. and the Taluk Office file E.c.15/1339 containing sketches of the land are enclosed.

According to the statement at p. 28 of file Nos 241-242 Rev dt 3.2.28 the camping ground in the Uddya village consists of S.Nos. 57/A (3.01 acres), 61/5A,A (5.80 acres) and 62/8A1 (8.55 acres). In the letter at p. 4 the Collector refers to S.No. 62/8A. This is obviously a mistake for S.No. 62/8A1 mentioned above. In the circumstances reported at pp 2-4 CF the Govt of India may be addressed with a view to assign the S.No. 62/8A1, under the darkhast rules as proposed by the Board.
